When it comes to seeking adventure, as well as keeping them safe, you want the best for the next generation. When off-road performance meets innovative parental control, the result is fun for everyone. Introducing the all-new CFORCE 110 youth ATV. All of the quality and features found in our full-size ATV models, now properly sized for kids.

Age Restrictions

Operation is prohibited for anyone under the age of 10. No passenger is allowed on this vehicle. Childrendiffer in skills, physical abilities and judgment. Some children may not be able to operate an ATV safely. Continued use is permitted only if the parents / supervisor determine that the operator has the ability andmaturity to operate the ATV safely. Be sure the operator can reach and operate all ATV controls, including
handlebars, brake levers, throttle lever and stop switch.V

POWER UP FOR ADVENTURE

Beneath the sporty look of the CFORCE 110, performance comes first. The compact 110cc fuel-injected SOHC four-stoked engine produces strong, smooth power on par with today's most recognized youth sport ATVs.

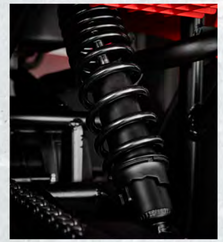
The CFORCE 110 delivers steady predictable torque, ideal for inspiring confidence as riders learn, while the lightweight body delivers a superior ride quality. The simple, reliable fuel-powered engine means less maintenance and more play.

With EFI assist, it's not only about fuel efficiency and cleaner exhaust, it also minimizes the winter start-up troubles and simplifies operation.

SPORTY PERFORMANCE

A comfortable yet dynamic chassis gives youth riders a total ATV experience where they can sharpen their skills. Double A-arm front suspension with 140mm/5.5-inches of travel and adjustable rear suspension with 157mm/6.2-inches of travel provide dynamic performance and a comfortable ride.

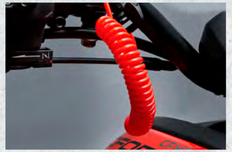
Like all CFMOTO ATV models, the CFORCE 110 youth ATV is equipped with premium brake components. Hydraulic disc brakes front and rear, provide strong and reliable stopping power, allowing young riders to ride with the confidence of control.



Rugged all-terrain tires (19-inch front and 18-inch rear) are specially developed for CFMOTO youth ATV. A thoughtful balance between lightweight handling and off-road traction, the CFORCE 110 is comfortable and agile while also maintaining a steady grip on the terrain.

Make way for adventure! The CFORCE 110 can take on bumpy ground and rough terrain with ease, fostering riders as they gain confidence and learn to take on more advanced maneuvers. Step out the rear and learn to drift, or even line up for a race as skills develop!

LOADED WITH FEATURES & QUALITY



Magnetic safety tether, adjustable speed limit and a safety flag are all standard features of the CFORCE 110.

LED day-running-light, 3.5-inch LCD screen, CFORCE 110 is equipped with full sense of technology.

Ergonomics are designed around 10-year-old riders. The 685mm/27-inch seat height means the ATV is very approachable.
A wide handlebar, plush seat and narrow contour of the fuel tank provide a comfortable and proportionate riding experience.

Helmet, goggle, gloves, body armor, protector for elbow and knee...
CFMOTO has the original protective gear and equipment for boys and girls.

Rocket Red or Baja Blue... it might take some time for young rider to decide which CFORCE 110 they want. Either one will offer all-day fun for them, and peace of mind for parents. With CFORCE 110, the whole family can enjoy the fun and adventure of ATV riding.

FIRE UP THE FUN

WITH INNOVATIVE APP CONNECTIVITY

Parents can stay connected to the CFORCE 110 ATV via Bluetooth with the CFMOTO YOUTH APP. Monitor the vehicle status in real time, set up geofencing (optional) and log ride time, all from your smartphone.

CFMOTO YOUTH APP user interface is simple and clear, putting vehicle safety and riding data in the palm of your hand.
