CFORCE 520 S/L

The CFORCE 520 is equipped with a mid-displacement engine, a 495cc engine. This 34HP engine is an industry leading engine with liquid cooled, single-overhead-cam and fed by a 40mm Bosch Throttle Body. It is featured with optional EPS, choice of single and double seat, and a pure CFMOTO family design DNA.

THE RUGGED BEYOND

Inside our hearts lies an intrinsic yearning for freedom, a desire to pursue the rugged beyond. Maybe the best thing about hunting, fishing, camping or even working is just getting there, especially when you saddle on an all-new CFORCE. The CFORCE 625 highlights the full lineup of versatile ATVs. With next-generation chassis and styling, this exciting machine is getting plenty of attention. The all-new 625 comes in either a one or two-up version.

CFORCE

CFORCE 850 XC

Features both outstanding performance and versatility. Configured with powerful and responsive hardcore engine, it is sure to provide you with great riding experience and also rich in accessories engineered to maximize the riding fun.
